### **BUREAU CIRCULAR NO. 1515**

To All Members of the Bureau:

#### **Re: VOLUNTEER FIRE COMPANY - CODE 994 – POPULATION VALUES ON PCRB WEBSITE**

For risks with a data card including Code 994, Volunteer Fire Company, as an authorized classification, a history of population values is now available on the Bureau's website ([www.pcrb.com](http://www.pcrb.com)) through the Application Login, in the **Rating and Underwriting Reference Section - Experience Rating/Merit Rating**. In that portion of the website, as your search (via name or Bureau file number) proceeds to the Bureau History/Authorized Class screen, there is now a button labeled as "View Fire Company Population." Clicking on this button will take you to the population history for the file of interest.

If your company has any questions regarding these population figures, you may contact the Classification and Field Operations Department at Extension 4488.
