**Meeting Details**

Detailed information about joining the session will be sent to those who have registered. We encourage you to have as many participants as you wish, but ask that you coordinate your training site to accommodate as many of your participants as possible and use one conference connection. Each location/conference connection will need Web access and a separate phone line.

Training Materials will be sent via e-mail in advance of the session. You are encouraged to review the PEEP and/or CDX User Guides which can be found on the ACCCT Web Site, home to PEEP and CDX.

Also, if you are not a member of CDX, and so not have access to PEEP, it will be valuable to do so prior to the session.

**Establishing Your PEEP/CDX Account**

Access to PEEP is provided through the CDX system. CDX is a service of Compensation Data Exchange LLC, and in order to access PEEP, users must have a CDX account. If you are not a member of CDX, and do not have access to PEEP, it would be valuable for you to register with CDX prior to the session by going to the ACCCT Web site and completing the Application form which is located at the "Sign-Up" function on the site. If you are a member of CDX, but do not have access to PEEP, contact your CDX Insurance Group Administrator (IGA) to gain access. Familiarity of the PEEP application is recommended prior to the session.

**Registration—Due Friday May 1, 2009**

It will be necessary for you to complete and return a registration form by May 1, 2009. If you plan to have multiple attendees at the same location, please provide the name and title for each participant on the form as instructed. Each registration form will provide access for a single conference connection. For participants at different locations, please complete separate forms. Forms may be mailed, faxed, or e-mailed to the addresses or fax numbers provided on the registration form. The attached registration form is also available in the *What's New* section of CDX.
